EU Declaration of Conformity – PPWR

Declaration for packaging under Regulation (EU) 2025/40

Declaration number	744/09/2026	**Declaration revision**	Rev. 00
Date of issue	22/09/2026	**Status**	Current

1. Supplier details

Packaging supplier	HABER Krzysztof Piątkowski
Address	Dziki 8B, 86-100 Świecie, Poland
Contact person	Aleksandra Gburek
E-mail	a.gburek@haber-swiecie.pl
Phone	+48 535 014 910
Website	www.haber-swiecie.pl
Tax ID	559-186-48-92

2. Subject of the declaration

HABER, as a packaging supplier, supplies packaging in accordance with applicable requirements and provides the customer with available information and documentation concerning the supplied packaging. HABER responsibility covers packaging and material information within the scope of the supplier activities.

3. Product identification and documentation

Customer	Pickandpack BEVTOFT
SKU / product code	O-11172-0016
Product name	KAS300 Papkasser - 310 x 230 x 200, BV-COC-137978 FSC MIX 70%
Material specification	corrugated board; TF-3B00-0-TWT-17 - Tektura 3W fala B szara; TL135/W135/TL115
Packaging dimensions and design	corrugated board packaging; FEFCO FEFCO 0201; 310 x 230 x 200 mm
Packaging weight	0,211999 kg
Related Technical Specification Sheet	744/09/2026
KST revision	Rev. 00

3. Product identification and documentation - Design change history

The history of material and design changes is maintained in the KST revision system. This declaration is linked to version Rev. 00.

4. Materials used

Corrugated board	TF-3B00-0-TWT-17 - Tektura 3W fala B szara
Material / paper composition	TL135/W135/TL115
Material properties	B; 430 g/m²; ECT: not available; FCT: not available
Recycled materials	Information on recycled material content is based on the current KST and documentation from material manufacturers and suppliers. Where no numerical value is stated in the KST, this declaration does not specify one.

5. Chemical substances

REACH / SVHC	No SVHC substances above the declaration thresholds, based on the available declarations of our suppliers.
PFAS	No declared PFAS substances, based on the available declarations of our suppliers.
Heavy metals	Compliance based on the available declarations of our suppliers.
Source of chemical information	The information is compiled from KST data and available documentation from manufacturers and suppliers of corrugated board, paper, inks, adhesives and other raw materials.
Laboratory testing	**HABER does not routinely perform laboratory testing of every batch of materials.**

6. Recycling and recycled materials

Corrugated board packaging is intended for the paper and board recycling stream, subject to the additives used and local collection-system requirements. Information on recycled materials is based on the KST and documentation from material manufacturers.

7. Traceability

Identification data	SKU: O-11172-0016; KST number: 744/09/2026; KST revision: Rev. 00

8. Change management

Where material or design changes affect information provided to the customer, the product documentation is updated and a new KST revision is created. Where required, a new revision of this declaration is also issued.

9. Additional information

Detailed product data is provided in the related Technical Specification Sheet (KST) and the technical documentation assigned to the relevant SKU.

Customer scope
This declaration applies to packaging supplied to Pickandpack BEVTOFT under the agreed technical specifications and applicable product numbers.

10. Signature

Person responsible for documentation	Aleksandra Gburek
Position	Preparation Department Manager
E-mail	a.gburek@haber-swiecie.pl
Phone	+48 535 014 910
Date of issue	Dziki, 22/09/2026
