Declaration of Conformity in accordance with Annex VIII to Regulation (EU) 2025/40.

EU Declaration of Conformity No. (7/2026)

1. No. ... (unique identification of the packaging):

The **aroFAIR® brown protective paper mailers**

2. Name and address of the manufacturer and, where applicable, its authorized representative:

VP Polska Sp. z o.o.,
ul. Lotników Alianckich 65,
68-100 Żagań, Poland

3. This Declaration of Conformity is issued under the sole responsibility of the manufacturer:

VP Polska Sp. z o.o. hereby declares that the product specified below has been assessed for compliance with the requirements of the relevant packaging regulations and standards.

4. Object of the declaration (identification of the packaging allowing traceability): Description of the packaging:

The aroFAIR® protective paper mailer is a packaging solution composed of several materials:

- outer and inner layers: 70 gsm uncoated FSC®-certified brown paper
- padding: granules made from recycled paper waste and starch
- permanent adhesive: hot-melt pressure-sensitive adhesive (PSA)
- functional layer (liner): silicone-coated paper
- printing: functional additive

5. The object of the declaration described in point 4 is in conformity with the relevant Union harmonization legislation:

- Regulation (EU) 2025/40, Article 5 (PPWR)
- Regulation (EC) No 1907/2006 (REACH)
- Regulation (EU) 2019/1021 (POPs Regulation)
- Regulation (EC) No 1935/2004
- Printing ink: EuPIA compliance documentation
- Adhesive: Commission Regulation (EU) No 10/2011

6. References to the relevant harmonized standards or common specifications applied:

The manufacturer maintains technical documentation covering:

- supplier specifications,
- bills of materials (SAP),

- product specifications,
- technical data sheets,
- supplier documentation and declarations,
- quality assurance documentation,
- PN-EN 13427:2007 (Requirements for the use of European standards in the field of packaging and packaging waste),
- PN-EN 13428:2007 (Source reduction),
- PN-EN 13429:2007 (Reuse),
- PN-EN 13430:2007 (Material recycling),
- PN-EN 13431:2007 (Energy recovery).

Technical documentation is archived in accordance with the manufacturer's internal procedures and may be made available to customers or competent authorities upon justified request.

7. Where applicable, the notified body ... carried out ... and issued certificate(s):

Not applicable – the product does not require assessment by a notified body.

8. Additional information

Information on recycled material content:

- the brown uncoated paper contains 100% recycled fibers.

Intended use:

The product is intended for the transportation of goods and is not intended for direct or indirect contact with food.

Signed for and on behalf of:
