

# PPWR Product Documentation

Foil envelopes | Item: 2FSDC260013 | Customer code: POSFB03

## Product information

|                              |             |
|------------------------------|-------------|
| Item                         | 2FSDC260013 |
| Customer code                | POSFB03     |
| Country of production        | Poland      |
| Dimensions                   | 240x350+50  |
| Total weight 1 pcs. [g]      | 9.21        |
| Mono/multi materials product | mono        |
| Additional component         | HDPE tape   |
| Weight of tape [g]           | 0.19        |

## Material and recycling information

|                                                                  |                |
|------------------------------------------------------------------|----------------|
| grammage/ thickness                                              | 55 my (+/-5my) |
| recycled material (yes/no)                                       | yes            |
| % of recycled content                                            | 80%            |
| type of recycled material (PIR/ PCR)                             | PCR            |
| % of PIR / PCR                                                   | 80%            |
| recyclable product (yes/no)                                      | yes            |
| classification of waste streams                                  | soft plastic   |
| Compliance with EU waste collection and sorting systems (yes/no) | yes            |
| designed for recycling (yes/no)                                  | yes            |

## Supporting documentation

|                            |           |
|----------------------------|-----------|
| Technical Data Sheet (TDS) | available |
| REACH declaration          | available |
| RecyClass                  | available |
