### **DECLARATION**

HABER Krzysztof Piątkowski, a manufacturer of corrugated fibreboard packaging and supplier of corrugated fibreboard sheets, declares that the supplied products are manufactured in accordance with the applicable requirements resulting from **Regulation (EC) No 1907/2006 of the European Parliament and of the Council (REACH)** concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals.

---

### **1. REACH Information**

HABER Krzysztof Piątkowski, as a manufacturer of corrugated fibreboard products, uses materials supplied by qualified raw material suppliers in the production process.

The company does not manufacture or import chemical substances subject to registration obligations under the REACH Regulation.

---

### **2. SVHC Substances**

Based on information received from raw material suppliers and available technical documentation, we declare that products supplied by HABER Krzysztof Piątkowski do not contain **Substances of Very High Concern (SVHC)** included in the current ECHA Candidate List in concentrations exceeding **0.1% (w/w)**, in accordance with Article 33 of the REACH Regulation.

---

### **3. Raw Materials and Documentation**

Raw materials used for production are supplied by approved suppliers who provide information regarding compliance of materials with REACH requirements and available documentation confirming the properties of the materials used.

The basis of this declaration is:

- supplier declarations of raw materials,
- material specifications,
- technical documentation,

- HABER internal quality procedures.

---

## 4. Final Provisions

This declaration applies to all corrugated fibreboard packaging and corrugated fibreboard sheets manufactured and supplied by **HABER Krzysztof Piątkowski**, unless otherwise agreed.

The products are manufactured in accordance with applicable technical specifications and customer requirements.

This declaration has been prepared based on information available on the date of issue, including data received from raw material suppliers and available technical documentation.

The declaration remains valid until changes occur in the material composition of products, applicable legal requirements, or information provided by raw material suppliers.
